## OBJECTIVE

I'm a graphic designer looking to work my way into the world of web design and combine my skills from both areas.

## WORK EXPERIENCE

### **BodyBuilding.com** - September 2010

Graphic Designer - Created and layed out the product pages used to sell several Higher Power Nutrition supplements in the bodybuilding.com online store. Also created a set of web banners to be displayed in various banner rotations throughout the website.

### **Mountain Dog Diet** - April 2010 to Present

Graphic Designer - Created a logo and look for the business. Designed, created the graphics and layed out the pages for the mountaindogdiet.com website and the members only club site.

### **Double-T Sports** - March 2009 to Present

Graphic Designer - Responsible for creating the look and style of the sports supplement company. Designed everything from flyers, to website layouts, to product labels while working closely with the owner.

### **Mullen** - August 2008 to October 2008

Graphic Design Intern - Helped with creating advertisement and design work for the ad agency's various clients. Edited and fixed up projects, helped with production work.
